AÉROPORT INTERNATIONAL  
ROMÉO-LEBLANC  
DU GRAND MONCTON

## **Director, Finance & Administration**

### ***Moncton, New Brunswick***

The Greater Moncton Roméo LeBlanc International Airport is seeking a Director, Finance & Administration to provide leadership in achieving and exceeding the airport's financial goals and strategic objectives. The Director, Finance & Administration brings financial discipline and critical thinking to the airport's planning and decision-making processes and actively promotes financial literacy and cost consciousness throughout the organization. Functioning as a business partner and counsellor to the CEO / Managing Director and other leaders in the organization, this role formulates and implements the airport's financial strategies, policies and program. In addition, the Director, Finance & Administration routinely acts as a valued resource to the Board of Directors, including engaging with the Audit Committee Chair and members on pertinent issues, trends and business challenges.

The Director, Finance & Administration oversees the finance function and all finance-related areas (e.g. corporate finance, business planning and budgeting, annual audit, insurance, risk management). The role also oversees the airport's administrative, IT and HR functions.

As part of the airport's senior leadership team, the Director, Finance & Administration works persistently and collaboratively to drive financial and operational performance, build an effective airport team and champion GMIAA both internally and externally.

This role requires a Chartered Professional Accountant (CPA) designation combined with a minimum of eight years' experience in progressive roles in Finance or Accounting with five years at the management level. A proven track record of successfully managing and motivating teams, both union and non-union, including experience leading teams through change. Previous experience leading HR and/or IT functions is an asset.

We are seeking a strategic, results-oriented leader with strong business acumen and a continuous improvement mindset to help shape this organization and build its reputation in the community. The role is based in Moncton and some travel is required. For a confidential conversation, please contact Ian Sullivan via 902.429.2224 or [ian@venor.ca](mailto:ian@venor.ca)

*The Greater Moncton Roméo LeBlanc International Airport is part of the global Vantage Airport Group. Vantage is an industry-leading investor, developer and manager of airports with over 20 years' experience. In 2016, nearly 27 million passengers travelled through network airports via 99 airlines; Vantage currently has a network of 11 airports on two continents.*
