

Airport Mechanical Maintenance Technician – 5 Month Term (approximately)

Dieppe, NB

About Greater Moncton Roméo LeBlanc International Airport (YQM)

YQM is a progressive airport and the leading airport in the central Maritimes. 24/7/365 - everyone associated with the airport strives to provide superior air service to passengers travelling all over the world and to the global cargo industry - safe, convenient, efficient, bilingual and businesslike.

YQM also strives to maximize its contribution to local and regional economic and community development - it currently drives over \$665 million of economic activity annually, making it one of the top private-sector economic contributors to New Brunswick's economy. YQM is a member of Vantage Airport Group.

Your economy. Your airport.
