From everyone at the airport – many thanks for your cooperation and assistance during this time of crisis as we aim to mitigate the potential impacts of COVID-19.

We will continue to work with our airline partners, business partners, stakeholders and government regulators to maintain operations at YQM and most importantly, to resume normal operations when possible.

Our goal is to provide you with regular updates on new developments or changes in YQM's operations. We recommend that you follow our social networking platforms to get this information more quickly:
