1. AIRCRAFT OPERATING FEE STATUS

All aircraft operators at Greater Moncton Roméo LeBlanc International Airport (YQM) are classified into one of four categories for rates and fees purposes.

1. Greater Moncton Roméo LeBlanc International Airport Airline Partner (GMRLIAAP)

This category will be subject to rates and fees as negotiated and contracted between the Aircraft Operator and the Greater Moncton Roméo LeBlanc International Airport.

2. Signatory

This category will be subject to rates and fees as published for Signatory operators.

3. Non-signatory

This category will be subject to rates and fees as published for non-signatory operators.

4. Non-commercial Piston Operator

This category will pay rates and fees in lieu of Landing Fees for non-commercial Piston aircraft, a Fuel Flowage Fee of \$ 0.094 per litre (effective January 1, 2014) is charged. This fee is collected by the operator's fuel supplier.

2. SIGNATORY AIRLINE FEES

2.a AIRCRAFT LANDING FEES – *Signatory Operators*

For the provision of runways, taxiways, lighting and other surface facilities, Jet, Turboprop, Rotary wing and Commercial Piston operators are subject to the following fees for each landing.
